Under 15s Girls Soccer

The Under 15s girls soccer was held on June the 5th at Gundary Oval. They played against Trinity and won 1-0, with Shayla Morton-Stuart scoring the winning goal in the last thirty seconds! It was a great day and all of the girls had a fantastic game. We would like to thank Mr Wiggins for coaching them and getting them there.

The Moruya High School Under 15's Girls Soccer Team

All Your Own Work

On the 15th of June, half of Year 10 attended an activities day in the Library called All Your Own Work. All Your Own Work is a program to teach Year 10 students useful skills that will be applied in the senior years. The skills involve referencing and using a bibliography or a reference list.

The day inspired the Year 10 students to start thinking about their choices for next year and their futures. Many of the students are thinking of attending University after Year 12. The skills learned in All Your Own Work will be used all throughout University, so it's important that the students begin learning them now.

Thank you to all the people involved in organising this day. It was enlightening and appreciated by most who attended it.

Athletics Carnival

On the 18th of May the athletics carnival took place. It was a great day for everybody and lot of house points were earned! The events that were held included discus, shot put, long jump, high jump, triple jump, javelin, relays and 100m, 200m and 400m sprints. Congratulations to the following people for getting age champion for their age; Mariah. C, Jordan. K, Saithong. F, Aiden. M, Shelby. C, Damien. A, Jaylah. H-C, Cody. W, Bridget. L, Lachlan. C, Georgie. H, Finbar. M. A big thank you to all the teachers that

Love Bites

Over two Wednesdays, Year 10 took part in the Live Bites program to be educated in the huge issue of domestic violence. Love Bites travels to different schools across NSW to raise awareness of the different forms of violence that's occurring everywhere in the world within families or relationships. Love Bites addresses physical, emotional and sexual violence.

The topics were discussed and clips were shown to help students thoroughly understand the importance of being aware and knowing what they can do in dangerous situations, whether they are the victim or the bystander.

At the end of the day, the students broke off into groups to create an artwork, musical item or short play. The products created were based on raising awareness of domestic violence and the different forms of abuse. The resulting products were a mix of humorous and sad, and each of the student's projects effectively faced the issues.

Thank you to the Love Bites program for coming to our school and raising awareness about such an important topic in our society today. Thank you to all the teachers involved in organising this day, and to the students who attended it.

Rainbow Day

On Friday the 23rd of June, Moruya High School held our annual Rainbow Day. Rainbow day celebrates diversity in the school and the community. Students were encouraged to wear colourful clothes for a gold coin donation. There was also the opportunity to take part in a colour run at lunch for an additional gold coin donation. At recess there were cake stalls and a clothes op-shop where the SRC sold old clothes brought in by students, with the left over clothes being given to the homeless shelter. All proceeds from the day went towards buying paint to brighten up the school.

Congratulations to all students and teachers involved, and thank you to the SRC for making this day possible.

Zone Athletics

The Zone Athletics took place on the 16th of June at Cooma. The day was cold and cloudy, but that didn't stop the competitors thoroughly enjoying it. There were many events held on the day; high jump, long jump, shot put, discus, triple jump, javelin, 100m and 200m sprint and 800m and 1500m run. Around 26 students went to the event, and a special congratulation to some of the students for making it to Regionals!

We'd like to thank Mrs Prow for being the organiser of the Zone athletics carnival and getting the kids to the Cooma safely.

Year 10 In 2 Uni Day

On the 7th Of June, Year 10 students from Moruya High School as well as Ulladulla High School attended an 'In 2 Uni Day' organised by Mrs Eke.

This day was used to introduce some 'taster' experiences to students who may be thinking of going through a course in university. Some of these experiences included nursing, engineering and marketing.

The day was interesting, enlightening and enjoyed by all. Thank you to Mrs Eke and everybody else involved in organising this day.
