Great News Stories

walawaani djamaga yiribini njindiwan (welcome, good afternoon everyone),

We are almost at the end of the year with a few weeks to go! There are a few more events to wrap up 2023 including Presentation Day, P&C Fun Day and our Year 6 Farewell evening. I have provided additional information below on these events.

Presentation Day

Our school's Presentation Day will be held on Wednesday 6th December at 12:15pm in our hall. This event is to celebrate students' achievements throughout the year. Each class will present a musical item that they have learnt in Music with Mrs Garcia. We welcome all families and community members to join us on this special day.

P&C Fun Day Monday 11th of December

Our Amazing P&C have raised funds this year to put on a water fun day for our students to celebrate all their hard work throughout the year. They organised with the school for 'South Coast Jumping Castle' to bring 2 inflatable water slides to our school! We The school will provide a BBQ lunch for students on the day. A note with more information will be sent home soon.

Year 6 Farewell

It is hard to believe we are getting ready to say farewell to our year 6 students, hasn't time flown! Most of them, have been with us since kindergarten and those who have joined us since have become part of the Bodalla school family. Our year 6 farewell will be held at The Bodalla Dairy Shed on Wednesday 13th December, when we will celebrate, by dancing, singing, eating and having an evening of fun with our teachers and friends.

Library Borrowing

No more borrowing of books but please have your child return all books they have as soon as possible so we can do a stocktake.

Class News 4/5/6 yaranbul

It has been an insanely busy term in 4/5/6 yaranbul. We have had Book Week, 5/6 camp, 3/4 camp, high school transition days to both Moruya and Narooma high schools, and the students helped me celebrate my 50th birthday with a class party. We also continued our WAR ON WASTE, which worked in nicely with the annual Eurobodalla Shire Council calendar art competition. This competition is open to Year 4 students every year and we were thrilled to see Mahalia Halligan's artwork chosen for the Council's 2024 calendar. We are looking forward to participating in the Presentation Day assembly and the Year 6 farewell at Bodalla Dairy Shed. Not sure we are ready for that though... Hope you are!

Mrs Ali Wright

Class News 3 dhaawarri

Dhaawarri's final term is proving to be a busy one. We had a fantastic time at Kianinny camp and participated in some great team building activities.

In English we are continuing to read *Fantastic Mr Fox* and are looking at how the structure of a narrative keeps the reader engaged.

In History and Geography we have continued to learn about celebrations and commemorations in Australia. We have also explored flags, emblems and symbols from across Australia. This has involved learning how to search for information on the internet and has been very

informative.

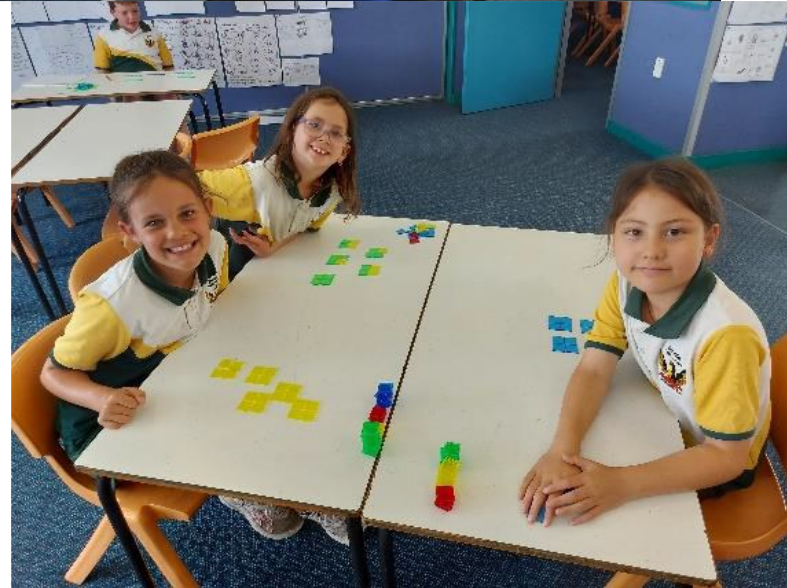

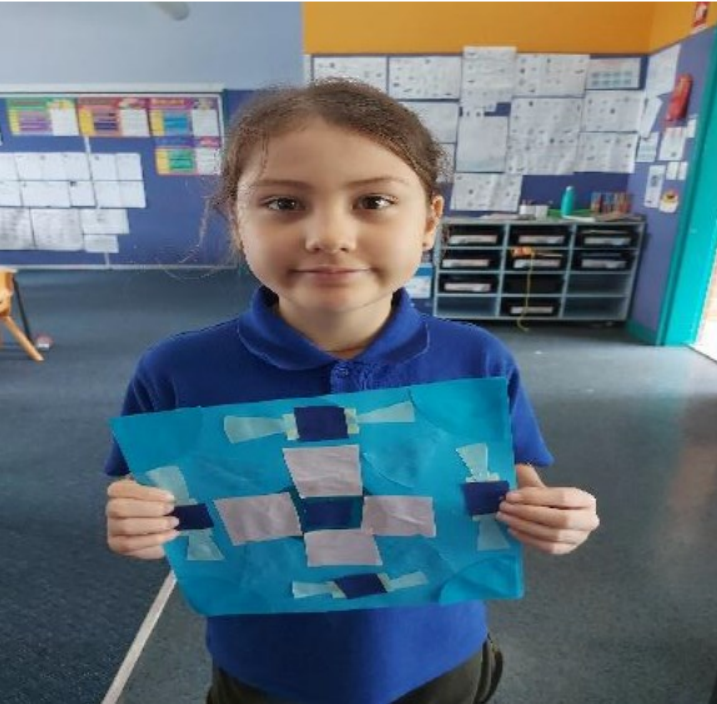

We are now looking forward to some really big celebrations coming up at the end of the year!

Class News 3 dhaawarri

In Maths, we have been focusing on fractions. We are finding the relationships and different ways of representing them. We are making posters to demonstrate our knowledge and have created artworks based on fractions.

Night and day is our current Science topic and we have been learning how the Sun, Earth and Moon interact to create night and day.

Thank you for sharing our learning journey with us this year and we wish you a wonderful Christmas and a Happy New Year!

Class News 1/2 buru

A note from Miss Berry

The end has come so very quick - it's time to move along,

We've shared so many memories and forged a bond so strong.

This year has been so wonderful; the time has gone so fast.

We've learnt so much; had so much fun- the time's just whizzed right past.

Enjoy your Chrissie holidays and get some well earned rest.

To start the new year full of beans; prepared to try your best.

Your next teacher's the lucky one - I'm certain this is true, because they get to teach and spend all next year with you!

I know I am quite forgetful, I lose everything from keys to glue, But one thing I'll never forget, is how much I loved teaching you!

Thank you for a wonderful year, burus!

Miss Berry

Class News Kindy muriyira

What a busy semester it has been in the miriyura class. We were visited by the 'Environmentors' who taught us about the impact litter can have on our environment. We also had a trip to Batemans Bay Botanical Gardens where we participated in lots of fun activities.

It was great!

In sport we have been learning how to throw and catch. We have also been learning different ball games.

During high interest clubs we have been practising circus skills, drawing, card games and bush activities. We all have our favourites!

In Mathematics we have been learning number facts and how addition and subtraction are related. We have been writing and ordering larger numbers and counting in multiples of 2, 3, 5 and 10.

In literacy we have been working hard to develop our reading and writing. We have been using capital letters and full stops in our sentences and using words such as 'and', 'but' and 'so' to extend our sentences.

It has been an awesome year in the miriyura class and we are looking forward to another great year in Year 1.

SPOOKTACULAR

What a great show, a few photos to remind you of the wonderful job done by students and teachers.
