SCHOOL SWIMMING AND WATER SAFETY PROGRAM

Our school swimming program will be on again early next term and will be held at the Narooma Leisure Centre. Notes have been handed out to students who cannot confidently swim 25 metres. It is important that all children learn to swim and are confident in the water.

- The scheme will continue daily for two weeks from Monday 21st October to Friday 1st November.
- The total cost for the 10 day program is \$50. This has been heavily subsidised by both school funds and our P & C Committee which we would like to thank for their generous funding towards this important program. The cost for this program includes bus travel and entry into the pool for the 10 days.
- Students will be required to bring a swimming costume, a towel, blouse or shirt, hat and warm clothing on a cool day.
- Students will be assessed during the Swimming Program for all water safety skills without wearing goggles.

If you would like your child to attend this program please complete the form below and return it to school with payment before Friday 18th October.

Regards

Lynne Takacs
Principal
