Making an online payment (POP Payment)

School payments can now be made through our online system. This includes payments for excursions, workbooks, school voluntary contributions or sporting events (this does not include payments for uniforms or canteen). Follow the steps below and your payment will be made in no time at all.

1. Go to our school website (by Googling Bodalla Public School).
2. On the website there is an orange bar with various options - News, Newsletters, Calendar, Gallery, Contact Us, Make A Payment. Select the "Make A Payment" option and follow the prompts. (Do not worry about filling in the Student Registration Number details but do complete all other areas where there is an asterisk or you will not be able to proceed to the next page.)
3. Complete student details, your details as the payer and select what the payment is for. Enter the amount to be paid and click on the next button.
4. Complete your card details and click next.
5. This will process your payment and issue you with a receipt number.
6. Write this receipt number on the permission note and return to school.

At school we receive a daily summary of payments which have been made online. These are then processed against the student for our records. It really is that simple, so give it a go. You will no longer have to send money to school with your child or come into the office yourself to make a payment. You will also not need to go to the bank as these payments will come direct from your account details you enter. This is a secure site and your details are safe.

If you have any questions please contact the school office on 4473 5257.
